Dated – 10<sup>th</sup> July, 2023

**Preamble –**

With the main object of ensuring economic development of economically weaker families belonging to Scheduled Castes and Nava Buddha Communities located in Maharashtra, the Govt. of Maharashtra has formed Mahatma Phule Backward Class Development Corporation Ltd under The Companies Act, 1956 on 10<sup>th</sup> July, 1978. This corporation implements various schemes of State Govt like schemes giving grant, seed capital schemes, direct loan scheme and training scheme. Similarly, the schemes of National Scheduled Caste Finance and Development Corporation, New Delhi (NSFDC) and National Safai Karmachari Finance and Development Corporation (NSKFDC) on national level are also implemented by Mahatma Phule Backward Class Development Corporation as the conducting system. The funds required for implementation of various schemes / undertaking are provided by State Govt. and Central Govt.

Taking into consideration existing new technology and increasing aspirations of people belonging to backward class, it is necessary to implement some new schemes along with existing schemes. The students and beneficiaries belonging to backward class are as competent as other constituents of the society. What they need is only equality and opportunity. Lot of changes have taken in standard of living and manner of living due to information technology and social media. Taking into consideration all these things, the Company MAHAPREET (Mahatma Phule Renewable Energy and Infrastructure Limited) has been formed under Companies Act, 2013 on the basis of provision of Memorandum and Articles of Mahatma Phule Backward Class Development Corporation Ltd. This is a subsidiary company of Mahatma Phule Backward Class Development Corporation. MAHAPREET Company has taken in consideration the need of changing times, needs of backward classes and weak classes and their increasing aspirations and their eligibility and the company has made convergence of various objectives, schemes and measures of the Central and State Govt and has prepared a new scheme named Navayug for the

purpose of ensuring inclusive and sustainable growth of backward classes. This Navayug scheme shall enable the persons belonging to backward classes and deprived communities to participate in raising revenue to a large extent. The development of rural area shall reduce the pressure on urban infrastructure. Similarly, the persons belonging to scheduled castes and deprived classes shall become prosperous and they will join main stream.

After taking into consideration this matter, the issue of including MAHAPREET (Mahatma Phule Renewable Energy and Infrastructure Limited) in the work being done by all department and offices under them was under consideration of the Govt.
